¹General Education Requirement typically transferred in with associate’s degree

²Communication modules can be transferred in as one introduction to communication course worth 3 sem. hour or 4 qtr. hours

³University cluster courses are not offered online but may be taken as a summer-study-at-home independent study

⁴If equivalent courses can be transferred in for cluster courses, other missing general education requirements can be substituted, however, most other general education requirements are not offered online or in the summer study abroad format.

⁵A minimum of 124 semester hours (54 from a 4 year institution) are required for graduation.

⁶Out of State/Country students may submit relevant job related training experiences to the program advisor/coordinator for approval in order to qualify for workshop credit. Official certificates of attendance and descriptions of training on official letterhead with rationale must be provided.

⁷SZ refers to courses which start at the beginning of first summer session and end at the end of second summer session.
